PC VAN ROOYEN

PERSONAL INFO

Name	PC van Rooyen
ID number	9611255078086
Marital Status	Married
Nationality	South African
Languages	Afrikaans (home); English

CONTACT INFO

Mobile	083 566 4765
Email	pcvr67@gmail.com
Address	47 Marchant Way, Taybank, 6025 Port Elizabeth / Gqeberha Eastern Cape

Background

Draughting and architecture were my first career choices. Straight out of school I completed my Multidisciplinary Drawing Office Practice (MDDOP) at the Port Elizabeth Draughting Academy in 2015. The draughting course allowed me to have extensive exposure - mechanical, structural steel, electrical and building draughting, amongst others. Following a period of work experience I was able to return to my studies at NMU, where I completed my National Dip Architectural Technology in 2021 doing my practicals in Oudtshoorn, Western Cape.

As an older town within the Klein Karoo, Oudtshoorn exposed me to both commercial and residential projects entailing pseudo Cape Dutch/Victorian styles as well as structures with Heritage Status. As I was a student, my responsibilities included assistance with site reports, recording of data along with compiling technical drawings and documents.

With my father's passing at the end of 2021, I needed to return to Port Elizabeth.

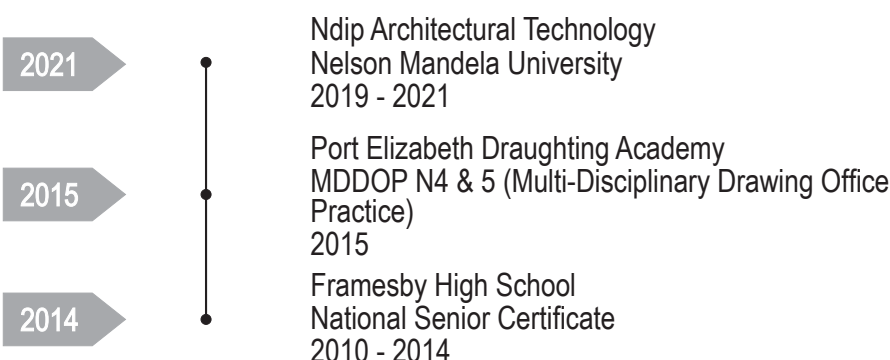

Unfortunately employment opportunities within architecture reduced in the Port Elizabeth region following COVID. With my need to remain in the Eastern Cape, this led me to take up a dairy farming position when the opportunity arose. I continued with the farm for three years until the farm closed in February of 2025.

I once again tried to find employment within the architecture field, however, by this time I had married, with my wife still completing her Master's studies, it would have been difficult to relocate at that time. So as not to be idle while still searching, I have spent the last five months in a temporary position working as a Mechanical Artisan Assistant at S4 Integration.

Should your company be prepared to take me on as a candidate, it would give me the opportunity to demonstrate my abilities and grow my experience, as I pride myself on being a highly motivated individual, who is not afraid to take the initiative and work independently. I am always keen to learn new skills and will give any task presented to me 100%.

DRAUGHTING ACADEMY

This is to certify that

PC VAN ROOYEN

I.D. 961125 5078 086

has successfully completed a course in

COMPUTER AIDED DRAUGHTING
(AutoCAD 2D & 3D 2015)

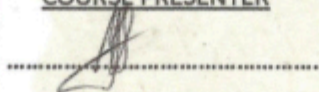

AutoCAD 2D

1. AutoCAD workspace & user interface.
2. Basic drawing, editing & viewing tools.
3. Drawing objects in layers.
4. Inserting reusable symbols.
5. Preparing a layout to be plotted.
6. Adding text, hatching & dimensions.
7. Title blocks.
8. Store and delete a drawing.
9. Template drawing.
10. Creating text styles.
11. Creating dimension styles.
12. Viewports, model space & layouts.
13. Plotting and presentation.

AutoCAD 3D

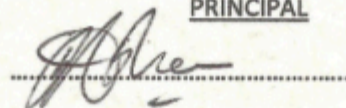

1. 3D viewing techniques
2. Working with simple & composite solids.
3. Creating complex solids & surfaces.
4. Modifying objects in 3D space.
5. Editing solids.
6. Creating sections, camera perspectives.
7. Visual Styles, sun, materials & light.
8. Creating 2D drawings from 3D models.
 - 8.1. Mechanical Draughting
 - 8.2. Architectural Draughting
9. Navigating the model.
10. Rendering.
11. Plotting and presentation.

COMPUTER AIDED DRAUGHTING
(Caddie 20)

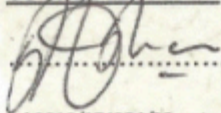

Module 1

1. Screen menu.
2. Icon menu.
3. Co-ordinates.
4. Major commands: lines, circles, con lines, macro, hatch and dimensions.
5. Setting-up of drawing sheet, set scales, set pen and line style.
6. Drawing of lines, circles and use different snap modes on the icon menu.
7. Store and delete a drawing.
8. Drawing with vectors.
9. Drawing with patterns.
10. Transformation and manipulation commands.
11. Moving of patterns from one layer to another.

Module 2

1. Application of CADDIE Mech Menu.
 - 1.1. Major command group: Mec =1
 - 1.2. Major command group: Mec =2
2. Application of CADDIE Arch Menu.
 - 2.1. Major command group: Arc =1
 - 2.2. Major command group: Arc =2
3. Application of CADDIE in the following drawing disciplines:
 - 3.1. Mechanical/General Draughting
 - 3.2. Architectural Draughting
 - 3.3. Structural Steel Detailing
 - 3.4. Electrical Draughting
